

## ITC CONFERENCE GRANT SCIENTIFIC REPORT

This report is submitted for approval by the grantee to the MC Chair.

**Action number: CA15203**

**Conferencetitle: WISe3 (Wien, Innsbruck, Szeged)**

**Conference start and end date: 26/03/2018 to 27/03/2018**

**Conference attendance start and end date: 26/03/2018 to 27/03/2018**

**Grantee name: Andrea Evinová**

### ACTIVITIES DURING YOUR ATTENDANCE AT THIS CONFERENCE:

I actively attended WISe3 (Wien, Innsbruck, Szeged) in Szeged (Hungary). The topic of my poster was - Magnesium protects from calcium induced collapse of mitochondrial trans-membrane potential.

### IMPACT ON YOUR RESEARCH AND FUTURE COLLABORATIONS (if applicable)

(max. 500 words)

I would like to focus on influenced cultured cells (with different inducers and inhibitors) and their mitochondrial respiratory functions measured with O2K fluoro respirometer.
